

COLEMANS HATCH BOWLS CLUB

Located in the heart of Ashdown Forest at Sandy Lane, Colemans Hatch this friendly 5 rink Bowls Club enjoys the peace of the Ashdown Forest together with the lovely game of Lawn Bowls. Matches are played against other local clubs every weekend and most Wednesdays during the summer from April until the end of September. Club night is held on Thursdays when prospective new members are always made very welcome. We have our own County Coach who provides excellent tuition for beginners. Bowls is a game for all ages and is not just an old people's game, but a young person's game that older people can play. We are a mixed club of all ages and all our matches mixed so that we are the ideal club for partners who wish to play together.

For prospective new members we provide all the equipment required except for shoes. Flat sole sport shoes are acceptable, until new members are able to obtain proper bowls shoes.

If you are interested in trying this lovely game ring:
