

- **Crowborough Waitrose Community Matters**

The Conservators of Ashdown Forest have been chosen for Waitrose Crowborough's Community Matters scheme in September.

We are raising funds to develop our educational programme that will offer children the chance to cherish and enjoy our woodland and wildlife. We are looking to introduce activities such as woodcraft activities using simple hand tools, sculpture, arts & craft, and basic bushcraft. This money will help fund a large tarpaulin and equipment for games to promote environmental awareness.

Please consider supporting Ashdown Forest when you are shopping in Crowborough Waitrose.
